Hello, Bryan Duerk

Thank you for choosing Framingham Logan Express. Your ticket(s) are attached to this email in PDF and picture format.

If you created an account or have an existing account, your order can be viewed by signing in to your [loganexpress.com](https://www.loganexpress.com/#/login-customer) account using your e-mail address and password. www.loganexpress.com/#/login-customer

The attached ticket(s) can be presented for travel on a smartphone/tablet or printed on your home computer prior to travel. Our staff must be presented with a legible ticket QR code.

Tickets are valid for travel in either direction and can be used on any date.

Tickets can only be used for Logan Express Location selected.

If you experience issues accessing your boarding passes, please provide your order number (WS375922) to the cashier at Logan Express to have your tickets reprinted.

Please see answers to Frequently Asked Questions, on our website via [LEX FAQs](#).

Note:

Logan Express is a first come first serve service, therefore there are no reservations for either the bus or parking. Parking is available at Braintree, Danvers, Framingham and Woburn for \$7 a day. We ask that you please allow sufficient time to park your vehicle, purchase tickets, and board before the scheduled departure time as the driver will depart on schedule.

You can check our website, www.loganexpress.com, for parking alerts or call the location directly the day before or day of your travel to check parking status.

Thank you for choosing Logan Express!
